

COLT SALES EVENT

Valid December 8 - 21, 2025

Pricing subject to change due to manufacturer price increases. Quantities limited to current stock in inventory.

REGULAR OR SHOOTER'S MODEL?

BOTH OFFER FLAWLESS PERFORMANCE

HOW TO CHOOSE BETWEEN MODELS:

REGULAR MODEL

Purchase if collecting for display worthy condition

SHOOTERS MODEL

Purchase if looking for a brand new Colt, but with a possible minor factory imperfection

Quality makes it a Colt. Colt Firearms offers a limited warranty on their products covering defects in materials and workmanship for one year from the date of retail sale. This warranty applies to the original purchaser and does not cover issues arising from misuse, neglect, or improper use of the firearm. "Regular" products are 100% New in the Box with full warranty.

"Shooter's Model" are 100% New in the Box products that may have a slight finish imperfection that is not covered by Colt's one year warranty. The slight imperfection would occur during the manufacturing process and are typically very hard to see except to the well-trained eye or with a magnifier.
